

## Discipline 7 – Shot 3a – 8 points

### Cue Ball

**In hand but must be at least 1 ball's width away from 'B' ball.**

### Object Balls

'B' ball is in hand within the indicated zone. 'F' ball is hanging near pocket 'F'.  
6 blocker balls are on the center line and frozen to each other, with the last ball in line exactly 1 diamond from pocket 'E'.

### Objective

Shoot the cue ball into 'B' ball, causing it to bank into pocket 'B'. The cue ball will jump over the blocker balls, and make 'F' ball.

### Special Notes

The blocker balls may not be touched by any means until after 'F' ball is made.
